

# In Court because: You are not going to school? Your kids are not in school?

## Legal Aid NSW can help you

- The Department of Education sent you court papers.
- The papers tell you when the court will deal with your case
- **You must go to court on this date.**
- If you don't turn up at court you can make things worse.

**Legal Aid NSW has a lawyer at court called a 'duty lawyer' who can help you.**

**Take your papers with you to court and ask for the duty lawyer to help you**
